# and we get letters...

Dear Wendy,

This is my first letter to Harvey Comics, and I wanted it to go to you. I like the way you ride on a broom and how you have a lot of friends. I have one brother, and he likes to read comics too. My best friend's name is Jay, and he likes to swim. Do you have a best friend? Sincerely, Karen Mortenson

Dear Karen,

Riding on a broom is the only way to travel, Karen! It sure beats riding the subways in New York! In answer to your question, I don't have any one best friend...each of my friends is a best friend! In fact, very soon I'm going to get all of my best friends, Casper, Baby Huey, Hot Stuff and the rest of the Harveyland gang, to go swimming in Richie's huge pool! We all like swimming too!

Your friend, Wendy

Dear Richie Rich,

I have been reading your comics for many years and think you're the greatest! My favorite episode was the one where the builders didn't know when to stop building your house and they kept on going and going! I do, however, have a question for you that I have been wondering about for a while. Why does your father keep all his money laying around at the mansion? You should get a good alarm to keep all those crooks out.

Sincerely yours, Merrin Folender  
Los Angeles, CA

Dear Merrin,

Thank you very for your suggestion, Merrin! Professor Keenbean is always working on new inventions to keep the crooks out, but you know how well his inventions work out sometimes! (It's a good thing we have Irona as a back up security system!) The reason my dad keeps so much money at home is that it no longer

fits in all the bank vaults! As you can see in my comics, the money is always bursting out of our vaults at home, and they're bigger than the ones in the banks!

Your friend, Richie

Dear Casper,

I think it's cool that you can go through walls. And I think it's good when you teach Spooky a lesson. Once I switched off the light, and Spooky did scare me! I'm writing you this letter for handwriting in school today. I'm hooked on your comic book. It's awesome!

Your best fan, Peter Kingsley

Layton, UT

Dear Peter,

Spooky gets into a little trouble sometimes, Peter, but don't worry, Pearl will take care of him! What a neat idea you had to use this letter for a handwriting assignment! Now just keep practicing your handwriting, Peter, and keep those letters coming!

Your friend, Casper

Dear Spooky,

How come you never do what Pearl tells you to do? If Pearl tells you to stop BOOING, then you should stop BOOING. I'm 11 years old, and my boyfriend always does what I tell him to do. I also have a nickname. It's NSG2S (Not So Goodie Two Shoes). Do you have a nickname?

Sincerely, Ann Thu  
Hampton, AK

Dear Ann,

I don't have a nickname, Ann, but there are a lot of names Poil calls me when she's upset with me! I try to listen to Poil when I can, but I just can't stop BOOING! It's too much fun! Anyway, Poil is so cute when she's angry!

Your pal, Spooky

Dear Harvey Comics,

I am from India. It's just been one

year, three months and 10 days since we came here. I started reading Harvey comics four months ago, and I read them all. I love all the Harvey characters and especially Hot Stuff 'cause he's hot and in India we have really hot temperatures.

Your friend, Harmanpreet Nagi  
Oxon Hill, MD

Dear Harmanpreet,

If India is hot, Harmanpreet, then that's definitely where I'm going for my next vacation! I'm always looking for new "hot spots"! So if you, or any of my other fans, know of any other "hot spots," write me a letter and tell me where! And remember, the hotter the better!

Your pal, Hot Stuff

HARVEY COMICS

This is the month of the giants!

Eleven(count 'em!) Harvey super-size comic books will be marching off the printing presses and coming at you this month! We call them "Giants," and they're all Number One issues!

Get ready for the Giant-size Hot Stuff, Casper, Richie Rich, Hanna & Barbera, Scooby Doo,, Yogi Bear, The Jetsons, The Flintstones, Beetle Bailey, Tom & Jerry, and Woody Woodpecker!

Each of these are 64 page Giant comic books at the bargain price of \$2.25. That's like getting almost three comic books for the price of less than two! Quite a bargain, especially when you realize that these are some of your all-time comic favorites! Be on the look-out and make sure you reserve copies of your personal choices.

We also want to remind you about two big mini-series that are going on right now. We're right in the midst of the 3-part BACK TO THE FUTURE adventure recounting the incredible story of Marty, Doc and the gang adrift in an amazing future. It's not to be missed! Also going on currently is a 3-part mini-series starring BEETLEJUICE in the grime-busting role of Elliot Mess, leader of the Unwashables! It's BJ at his zaniest and maddest.

Each of these books have self-contained stories, but are part of a big major story. You can enjoy each its own right (or write!), but it's even more fun to have all three.

This summer, we will also be introducing a brand new series starring the hottest new toys in the world. Here comes Harvey's own rendition of THE TROLLS, those little gnome-like figures who, almost by magic, seem to pop up everywhere. We promise you that this Harvey group is more exciting than any you've ever seen.

Get ready for Goal Troll, Droll Troll, the Soul Trolls, Roll Troll, Mole Troll and the rest of this amazing group as they do battle with the legion of evil trolls led by Controll, Outta Controll,

Frankentroll, Robotroll and the Trollinator. Everybody's going to be talking about them! It's high adventure and as funny as it gets. Reserve your copy now.

One last thing we'd like to mention is the hilarious return of LITTLE LOTTA, debuting this month in her own comic book. A huge—and we do mean, huge—favorite for years, this big little girl with her monstrous size and strength and even more monstrous appetite is back again with her very special brand of humor. Lotta Plump is her name, and she may have been the first female to show the world that females can do anything. Her Number One issue is on newsstands today!

That about says things for this month. I know I've been promising you stories about some of the unsung writers and artists who have made Harvey the great comic book company it's been—and continues to be. But that will have to come later. We're still too heavily engrossed in the amazing new things that we're doing today, and believe we should first pass that news on to you.

So till next time, keep those letters and comments coming to us. It's important to us that we hear from you.

See you next time.
